

Refund Policy

West County Youth Football & Cheer

The West County Youth Football & Cheer Board of Directors created a new refund policy. We want to be as reasonable as possible and continue to be financially solvent. Registration fees collected will be refunded under the following conditions:

- 100% refund of registrations fees before July 26, 2010, if you have returned all football/cheer gear and either pay for or return the unsold raffle tickets to the club treasurer.
- 75% refund of registration fees before August 13, 2010 if you have returned all football/cheer gear and either pay for or return the unsold raffle tickets to the club treasurer.
- 25% refund of registration fees before September 15, 2010, if you have returned all football/cheer gear.
- From September 15, 2010 to October 15, 2010 there will be no refund unless you move from the county or have an injury and can't play the rest of the season. You will need to return all gear and the refund will be less the equipment cleaning fee and jersey cost.
- From October 15, 2010 to the end of the season there will be no refund at all.
- It is the parent's responsibility to contact the club treasurer before the above dates to insure a refund. Email the treasurer at www.ingridaclark@gmail.com. All board members' contact information is posted on the club website at www.westcountytigers.net.
